

THE GOD OF GOOD THINGS

ACTS 4:9

In this portion we have a statement made about the good deed done to the impotent man. God sure is the God of good things.

1. “A Good Bible” The King James Bible was good for all those years until the modernists said it was not good enough. It is good because of it’s
 - a. Accuracy. It is up to date on the past, present, and future.
 - b. Assurance. It not only gives us hope here but beyond the grave. It was the God of good things that caused the lost to be saved.
 - c. Authority. The impotent man was healed by the authority of God.

2. “A Good Business” Jesus said I must be about my Father’s business. This is the most profitable business one could be in. It says that one soul is worth more than the whole world.
 - a. Business Of Rescuing. Serving Him is like serving on a rescue squad.
 - b. Business of Return. The God of good things gives a great return. We are saved free, and serve with great benefits.

3. “Good Blessings” This impotent man did not gripe and grumble, he realized something good had happened.
 - a. Blessing Of The Church.
 - b. Blessings Of Casting. This impotent man cast all his care on God. James says that every good and perfect gift comes from above. “He is surely the God of good things”.
